

BACHAM'S
DREAM VALLEY
OPEN VILLA PLOTS

THE VALLEY OF DREAMS THAT COME TRUE

Bacham's Dream Valley is your choice to open the doors of your wish based in Nandyal. It's simple! Buy a plot, build a home in your style and live it. But more than that, it is something special to just being a plot. We bring you the plots with excessive security features and amenities for the first time ever in Nandyal as the plots are extended across 25 acres, all of them with DTCP approval that allow you to worry less and plan more about your new home. Unlike the constructed plans, these open plots bring you an option to build Dream Valley into a reality that looks like a dream.
